**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've used Sonic.net for years and always found them to be professional and they provide excellent customer service. AT&T wants to use the FCC to put them out of business. Don't let this happen. San Francisco needs more broadband and telephone competition, not less. AT&T is skilled at manipulating regulators and cares nothing about its customers.
